

# Tyre Centre

Call: 01494 525 971 or 01494 445 389

## How to find your tyre size

The sidewall of a tyre includes a variety of important information. The numbers and letters identify dimensions and performance standards that allow you to compare tyres more accurately and efficiently. This diagram will help you to understand those numbers and letters.

For assistance in selecting a replacement tyre call  
Adams & Page on 01494 525971 / 01494 445389.
